The 1990s era of Ret-Roof was well-emplotted. It was a week of 5 Home runs for the team, often every 12 wins. Although the team had to turn to the Rule 5 draft to add a few more players, the post-leader was a solid system.

Four seniors gained post season recognition as a result of their football skills. On the All-Central Tennessee Conference team were Steven Duncan and Duane West. Selected for the Nashville Banner's Region II AAA All-Midstate team were Steven Duncan, first team and Robert McCarver, second team. Duane West and Yogi Yother were awarded honorable mention. West was also placed on UPI's All-State team.

Homecoming 1976

Although the 1976 Homecoming activities were primarily run by students at the high school, a homecoming queen was chosen. Below left: Bass, Patrick Green, Tom Weis, Sandy Massie, Debbie Mursey, and Kim Key on

The Red Raider track team is looking forward to a good year with promising prospects back from last year. Danny Sherrill and Ronnie Gober, returning from a 880 relay team that finished 4th in the region, are expected to be tough competitors in the sprints. Also returning is Marc Smotherman, who finished first in the district and fourth in the region. A strong corps of distance runners will prove to be a definite asset.

The Manchester Red Raiderette track team is anticipating a great year. Built around a core of several experienced seniors and juniors, the Raiderettes are probable district contenders. The Raiderette relay teams appear to be top prospects for high finishes this year. Central High School's first girl's cross country squad was formed this year.

Most of the band and choir members all share a certain common interest — a love for music. Among all the wrong notes, forgotten rhythms, and confused marching techniques, a love for music still exists among the members. All work hard and put their hearts into what they are doing to have a great performance. It takes every person giving 100% to do his best. Every member realizes how much the hard work pays off after the band or chorus wins a trophy or good-rating at festival. One has to truly love music and commit himself to it in order to do his very best.

KAE,

On your long enough road through life remember that too people often things would touch and then they live you and you never forget you. I know and I'm learning it can be a young & sweet bird and though you're a little mixed up with the world of you life just try to understand what people do and stand up for what you believe in, only remember. Get up to you as to what you make out of your life. You've got the talent, looked, and personality to go far. Do don't miss the chance. Think of the good things of the world. And I have a few to help. Remember me always and I want you to know it's decided about to know someone like you. I like to know about the world. Love, Diane

Hi! I'm glad I got to know you last year, you have choices until I stop to live some choices until you next year. May God bless you and watch over you in the years to come.

July 76 I'm glad to have you in my class. It was a small history class half. I hope you we get a class together. Good luck, Lisa Grider

I'm glad I got to know you this year. Cosmetology was fun. P.E. was ok. Best of luck to ya!

Love,
Lisa Grider

"Reserved" for Danny!

Kae,

Well what can I say. Even though I don't know you, but this year we have become very close to each other. We've had so much fun together. Remember all the double dates we had with Del & Pam, Chris & Michelle. I do and I know that I will never forget them for as long as I live. I hope that we can go to Warren Co. this summer so that we can be with our friends. I'd really like for you to meet my uncle, the one I fish with all the time. I don't guess you know that I fish a lot do you? I'm glad that I called you about Shannon, (your cousin). I guess if I hadn't we probably shouldn't of even known each other. I always wanted to tell you but I knowed that you and John were dating so I didn't. So I finally found an excuse to call you. It seems like we got together over night. I'm glad we did, and I hope that it stays that way. I sugar be proud to have some great people like Ray & Jane. They are so sweet to me, and I know that they love you very much, because if they didn't why wouldn't even care what you did. Ray stay sweet always, your one great person, especially to me. Just remember that I love you Kae, always be good. The one and may God be with you and your family always with all my love to you Danny

Kae
